Thank you for contacting the Office of Finance. Your account was given the Non-Profit exemption until 12/31/2016, at that time you may request to complete a questionnaire to assess if you are still exempted from taxation. You will not need to renew until that time. You are still registered with the Office of Finance and your BTRC#0002266685-0001-1 is still active.

The Westchester Business Improvement Association is a 501c6 non-profit corporation that was issued BRTC # 0002266685-0001-1 for business it conducts at 8929 S. Sepulveda Boulevard, Suite 130 Los Angeles, CA 90045. The City has previously found this organization to be exempt from paying any tax. The WBIA administers a City of Los Angeles business improvement district under contract with the Los Angeles City Clerk.

I just tried to renew the BRTC (maybe it is not necessary to do so) and the eFiling system told me that it had no record of any such business activities.

My name is Donald R. Duckworth; I am the Executive Director of the WBIA. The best email address for me is [Duckworth.Donald@gmail.com](mailto:Duckworth.Donald@gmail.com) or I may be reached at (310) 417-9030, which is the WBIA office.

Can you please help me resolve this problem? Thank you!!
